

## AUDACIOUS TV BENCH | HORIZONS

A multipurpose bench for seating or to hide your AV-equipment under the television. The expression is Nordic yet bold with its fabric tambour doors creating a nostalgic reference. The tambour doors slide around the edge of the bench, letting you choose how much of the inside you want to put on show.

With a cable outlet in the back, it is easy to hide the messy cords. Placed in the hallway it will store all your outdoor clothing, while you can take a seat as you put on your shoes.

The tambour doors are interchangeable, meaning that you can change them easily yourself and add new life to the design without having to buy an entirely new furniture piece, saving the world resources.

Available in oak, dark oak and black oak with tambour doors in four carefully selected colours of the 100% recycled Horizons textile.

The Horizons fabrics are recycled from plastic waste and reused for a new purpose in the design of comfortable chairs and cute cabinets at UIMAGE. The textiles are certified with Global Recycled Standard and STANDARD 100 by OEKO-TEX®.

UMAGE is a Danish word meaning 'making an effort', and that's what we want to do every day.
