

TREASURES | HORIZONS

Treasures is a customisable cabinet with a Nordic expression. The cabinet is made from veneered oak wood and the curved sides of the cabinet have a customisable covering that gives Treasures a soft tactile touch.

The sides of the cabinet open as wings, that elegantly stores your fine liqueur or books. The storage compartments in the centre of the cabinet, each has one shelf, making it the perfect storage solution for your ceramics and porcelain.

Available in natural, dark and black stained oak. The sides of the cabinet can be customised with one of the four carefully selected colours of the Horizons textile.

The Horizons fabrics are recycled from plastic waste and reused for a new purpose in the design of comfortable chairs and cute cabinets at UIMAGE. The textiles are certified with Global Recycled Standard and STANDARD 100 by OEKO-TEX®.

The Treasures doors are interchangeable, meaning that you can change the upholstery easily yourself and add new life to the design without having to buy an entirely new furniture piece, saving the world resources.

UMAGE is a Danish word meaning 'making an effort', and that's what we want to do every day. UIMAGE is where beautiful Danish design meets affordability, high-quality materials and a genuine care for the environment. Nature is the fundamental inspiration for all the designs at UIMAGE, and you'll notice nature's presence in the shapes, colours, materials and sometimes even in the functionality of the furniture and lighting.
