ASTERIA MOVE MINI

Designed by Søren Ravn Christensen

Asteria Move Mini, green marble

Asteria Move Mini, white marble

Bring light to your dinners with the new Asteria Move Mini – a small portable lamp that will cast an ambient light and set the perfect mood for an intimate dinner. The sleek and stylish expression of the Asteria Move Mini is accompanied by an interchangeable solid marble base, adding a classic touch to the design. Asteria Move Mini has four different light steps that allow you to adjust the light to the desired setting with a gentle touch on the base of the lamp.

Its size, portable design, and adjustable light make it the perfect addition to any hotel, restaurant, or bar table. Its marble details add a sculptural touch to the design, making the Asteria Move Mini gracefully embellish any shelf or cabinet top in the home, too.

Charging the Asteria Move Mini is effortlessly done by placing the lamp on its included charging plate. The charging plate is made exclusively for Asteria Move Mini, meaning that it is not possible to charge the lamp without the original accessory. This is especially advantageous when using the lamp in a restaurant, hotel or other public spaces, as preventing unauthorised charging secures the lamp and eliminates any temptation for theft. Designed to cast an enchanting light on your evenings and create unforgettable memories, Asteria Move Mini is the perfect blend of style and functionality and will light up any home or hospitality space.
